# Central Oregon Council On Aging

## Programs & Services

Caring for Central Oregon Seniors Since 1975

## Who We Are

The Council on Aging is the only agency in Central Oregon based at the local level whose mission and objective is to promote and support an older person's ability to lead a dignified, safe, healthy and independent life. The agency's 23 employees, along with nearly 700 volunteers, provide a variety of services designed to help keep seniors living independently and in their own homes for as long as possible.

## Congregate Meals

This program offers a hot meal, 3-5 times weekly, at senior centers throughout the county. All seniors may participate as the objectives also include socialization, education and referral for all seniors who attend.

## Meals-on-Wheels

These meals are provided to approximately 626 homebound seniors seven days a week.

## Senior Centers

Senior Centers are the focus of community spirit for seniors. Activities, services and programs are just some of the benefits you will find at your local facility.

## In-Home Services

Oregon Project Independence (OPI) provides in-home care to seniors who choose to live independently in their own homes. OPI offers housekeeping, personal care, laundry, shopping and meal preparation using a sliding fee scale to determine cost for services.

## Case Management

Case Management staff help seniors make cost-effective and appropriate decisions regarding their care needs.

When a Case Manager receives a referral, a home visit is scheduled to complete a needs assessment; the Case Manager then looks to community resources to fulfill the needed services.

## Respite Care

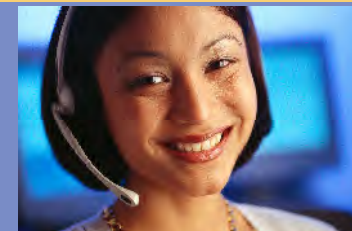

This program supports respite breaks for family or personal caregivers who are solely responsible for the full time care of an eligible senior. We have expanded the program with the help of Lifespan Respite of Bend to include grandparents raising grandchildren

## RSVP - Retired Senior Volunteer Program

This senior volunteer program is geared toward active and retired persons age 55 and over, living in the Deschutes County area. The goal of RSVP is to provide skilled volunteers to organizations in the Tri-County area, keeping the skills and talents of volunteers in mind to create a good match.

## Information & Referral

Seniors or their caregivers can find out about eligibility for benefits and the full range of available services with a single phone call to the COCOA Senior Help Line at 541-504-0392.
