

Get Connected to the Retired Senior Community!

Present your services to the retired at local Senior Centers!

Central Oregon Council on Aging's Entrée Provider Program gives local companies a chance to become involved in the lives of seniors by providing the meal for one day at the senior center or meal site of your choice.

Each contribution of \$200 plus \$3.50 for each attending senior (attendance varies according to location and the selected date of presentation) provides a complimentary entrée, and supports important COCOA nutrition programs.

Entrée sponsors have been able to market their services to local seniors and helped COCOA to provide high quality meals throughout the Deschutes-Jefferson County area since 2001. Support from our community partners have allowed us to serve more than just meals to 3,647 seniors in our service area during our past fiscal year.
